The corridors are quiet . . .

THRU

... Through these halls friendships were made.

A few enter—then many—and suddenly the halls come alive with busy sounds . . .

The corridors are quiet, and the lights are dim in expectation of those young and old who walk, talk, and look with admiration as they pass through these halls. A few—then many—enter, and suddenly the halls come alive with the busy sounds of students and teachers. Sounds of incessant slamming of lockers and the jumbled jargon of a mass of seething voices reverberate through the halls. Then again all is quiet. The year has ended and the laughter has passed,

THESE HALLS

but the memories of these days and of the friendships that were made will remain for all who were lucky enough to prepare for the future through the challenging yet rewarding halls of WTHS.

A greeting from Superintendent Burke:

To the Class of 1964 I would like to extend my sincere congratulations. You will find the activities of your class well documented in this *Annual*. Yours has been an outstanding class.

With the publication of the 1964 *Annual* comes a close of another era at WTHS. This might be called the "Meslow Era," for at the end of this year Mr. Meslow retires. He has given 31 years to WTHS, serving as faculty sponsor of the *Annual "W"* during this period.

This long period of service is greatly appreciated by the alumni, student body, faculty, administration, and board of education. On behalf of all of them, Ed, I would like to say thanks for a job well done and our best wishes to you in your retirement.

Superintendent Paul C. Burke

*Administrative Assistant
Dr. Colon L. Schaibly*

Among the major duties of the administrative assistant are recruiting and interviewing teaching applicants, visiting classrooms, conferring with teachers and department heads about instruction, and approving textbooks and supplementary instructional materials. Other duties include completing questionnaires and reports for the superintendent, arranging the official school calendar, and maintaining data on school personnel. He is a member of the governing boards of National Honor Society and P.T.A. and is also school representative in several community organizations.

The building principals are charged with the overall operation of the school and are directly responsible to the superintendent. Major attention is directed to administrative duties which strengthen the instructional program and contribute to success in teaching and learning. Over the years, WTHS students, faculty, and parents have helped to develop a wholesome educational climate in which teachers and students can perform to their full potential. Each principal works very closely with all departments in administering both curricular and extra-curricular programs.

Home, School, Community in Parent-Teacher Sphere

To promote a constructive program for better parenthood, better homes, better schools, and better communities is the purpose of the Parent-Teacher Association.

Through cooperation with administration, teachers, and parents, PTA promotes the best interests of the school and community.

Among the year's activities were an East Campus open house, a film lecture series, support of the proposed junior college, and participation in the tri-county Golden Jubilee Scholarship Program.

IN MEMORIAM

Betty J. Wilson
 October 10, 1932 - January 19, 1964
 Summa Cum Laude, University of Wisconsin

Annual "W" dedicates this portion of the yearbook to the memory of friend and teacher Miss Betty J. Wilson, West Campus girls' physical education instructor. Miss Wilson's success as a teacher is a reflection of her life devotion to duties, excellence in scholarship, friend to all. In recognition of the outstanding record she made at Wisconsin, the University established a Betty J. Wilson Memorial Scholarship in the school of physical education.

Mr. Sam Filippo checks work being done by his summer school class.

Mr. Richard Graves, new head of the summer and evening school program this year, checks some information on the phone

Opportunities to do remedial work and to make up credits as well as educational enrichment are provided by the evening and summer school program. The 1963 enrollment of 1004 for the high school credit summer classes and the total enrollment of 2014 evidence the fact that the program is well utilized by both adults and students. There were also about 140 courses offered at the evening school. Fields of study ranged from art, business, homemaking, industrial arts, language skills, mathematics, science, and social studies, to personal development, and recreation. College credit courses were sponsored by the University of Illinois and Northern Illinois University. One of the new developments this year was the availability of library facilities to summer school students

Prospective students register for evening school courses under the supervision of the program's director, Mr. Richard Graves

Special Program Leads to Practical Nursing Career

WTHS' Practical Nurse Program has been fully accredited since 1956. Graduates of the program are eligible to take the State Board Examination to receive a license to practice as a practical nurse. Students in the program are given practice under the supervision of qualified instructors at Victory Memorial Hospital, Lake Forest Hospital, and the Presbyterian Home. Practical nurses who have graduated from the program help the sick, injured, and aged in hospitals, nursing homes, private duty, and federal services such as Veterans' Administration hospitals and the Peace Corps.

Hamburgers and french fries are in daily demand at both campuses. Mrs. Mamie Boswell and Mrs. Frances Michalowski are busy in the East campus cafeteria

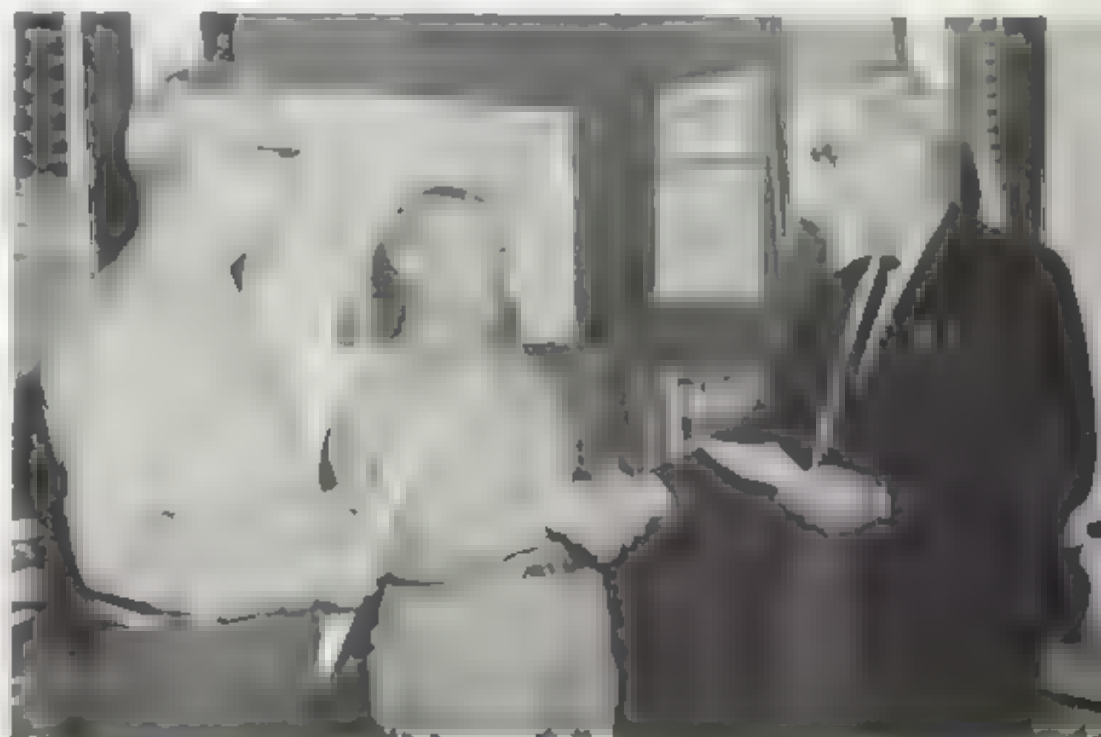

The cafeteria staffs of both East and West serve 600—1200 lunches to students and teachers during the four lunch periods each day. An addition to the East Campus cafeteria this year was a new fryer. Each cafeteria uses 300—500 pounds of potatoes each day. The combined staffs of nearly 50 women are under the management of Mrs. Louise Love.

The completion of the new athletic field at West Campus, the installation of new aluminum windows, and the blacktopping of the visitors' parking lot are a few of the many projects the maintenance department completed this year. The staff of 42 men and women is under the direction of Mr. W. Carter

By exploring new hallways of learning and forming constructive goals, students prepare for college and vocational opportunities which lie ahead. The wide WTHS educational program provides comprehensive courses of study which meet the academic levels, needs, and preferences of the students.

Language Arts Courses Stress Critical Thinking

The ability to communicate is an important goal reached in speech classes. Jane Drew, Ken Rice, Nancy Hull, and Greg Knop are above.

WTHS's up-to-date Language Arts Department, headed by chairman Mrs. Melba Wixom and assistant Mrs. Ellen Bay, offers a variety of subjects including French, German, Latin, Spanish, speech, drama, debate, journalism, and "W" World. The courses comprise an integrated program of writing, speaking, reading, and listening. Each stresses critical thinking rather than rote memorization. Literature studied in the language courses binds the present-day reader to the rest of mankind. The goal of all language communication is growth and improvement in effective communication. Numerous extra-curricular activities also help enlighten the student.

The West Campus library opens new fields of literary study for English classes.

"Half hour before deadline!" was a familiar phrase on Thursday for the 20 member "*W*" *World* staff. On that day all stories and features had to be checked by the editors and approved by faculty advisor Mr. James Yoggerst. Monday the pages were made up and sent to Mr. Thomas Lowe's vocational printing class. The papers were distributed in homerooms the next Friday.

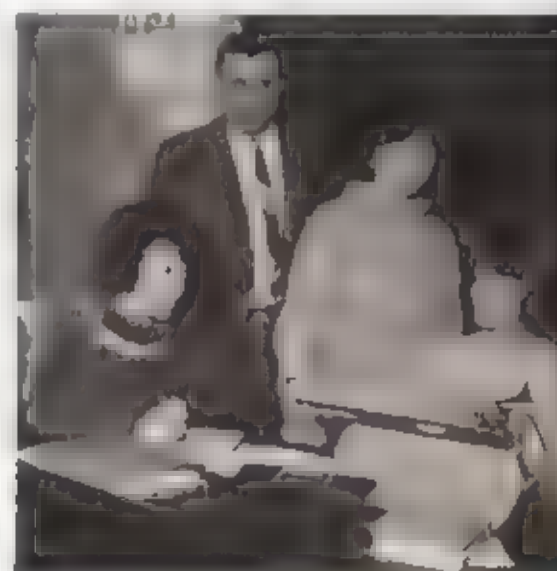

To assure more complete news coverage West Campus initiated a journalism homeroom, which wrote all West Campus "*W*" *World* stories.

Also, for the first time in about 30 years, the "*W*" *World* had a major change in size. The more compact four-column paper varied from four to six pages every week. Tami Pickus was first semester editor-in-chief. Carol Ryoti held the top job the second semester.

Fast Approaching Deadlines Keep Annual Staff Busy

Taking and processing of pictures, writing and editing of articles, indexing of names, typing of copy, drawing and revising of layouts, cropping of pictures, and reading of proofs—all are a part of publishing a yearbook and all are done, along with countless other tasks, each year by Annual "W" staffs. The 23 members of this year's staff met daily second period, receiving full credit for the course. However, much additional work had to be done after school and weekends in order to meet the many deadlines.

Initial planning was done during the summer. Greatly increased coverage of the year's activities topped the changes made in the 1964 Annual "W."

Besides being slightly reorganized to provide better balance, the book had a new, more modern approach to page layout. The 1964 book also brought to a close Mr. Edwin Meslow's 31 years as Annual "W" advisor.

To Develop Understanding, Responsible Citizens Is Social Studies Goal

Social Studies is a fundamental area of instruction with two broad goals, the development of world understanding and responsible citizenship in a functioning democracy. The Social Studies Department, under the chairmanship of Mr. Fred Patterson, offers a variety of courses. A popular area of study, it includes 18 teachers, 84 classes, and approximately 2500 students enrolled in various phases of the curriculum. A new development this year is the reintroduction of Latin American history to the course offerings. The most important aspect of the courses is the opportunity for students to express their own personal ideas and opinions. The encouragement of class participation and discussion is of value to the student in years to come.

New, Revised Textbooks

Modernize Math Approach

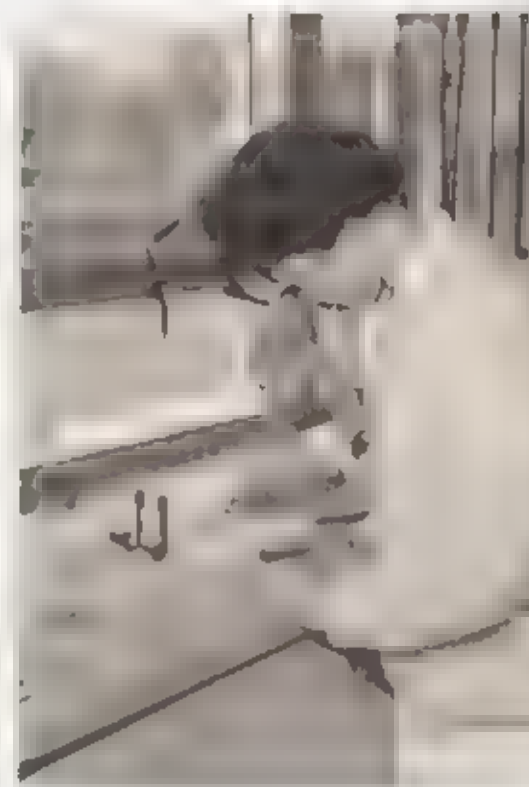

New, modern approach textbooks for regular ninth grade algebra and eleventh grade regular and preprofessional advanced algebra were adopted by the Mathematics Department this year. Also revised was the tenth grade preprofessional plane and solid geometry course. The Mathematics Department this year had 2225 students enrolled in 81 classes. Its three-level program is designed to meet the needs of students of varying ability. Courses range from general mathematics to preprofessional analytic geometry. A slide rule homeroom at East Campus for math and science students and a West Campus Math Club are among the non-academic activities available. George Osbun heads the department at East Campus, and Lewis Mahoney assists at West Campus.

This year's Science offerings are far more extensive than ever. Much instructional area has been either added or improved. New physics and biology laboratories allow for additional units of study and provide the space needed for teaching the new physics course. The Science Department offers a well rounded program for all interested students. Up to five years of science may be taken. Advanced and regular biology and chemistry, physics, and physical science are offered at East Campus. Courses at West are: general science, biology, and physical science. All chemistry classes this year use a new approach to chemistry known as Chem Study. A background in science is important for general information as well as a preparation for college.

Business Department Keeps Abreast Of New Teaching Developments

Besides its general program, the Business Education Department offers vocational business training. The aim of the program is to develop average and better students interested in business into good, employable citizens upon completion of their formal education. This year new developments in shorthand, typing, and bookkeeping were emphasized. Typing, shorthand, bookkeeping, distributive education, and office practice are among the fields of study in the department. For business students interested in extracurricular activities there are the Future Business Leaders, Office Occupations, and Distributive Education Clubs. Department head is Mr. Reyno Bixler and Mr. Homer Ely, assistant.

Home Ec Department Adds New Facilities, Teachers

Sixteen new sewing machines and a new fitting room at West Campus have been added to the Home Economics Department this year.

Also, adding another teacher at each campus has increased the total teacher staff to seven. Both campuses have three instructional areas: a food lab, a clothing lab, and an all-purpose room. Home Economics I, Foods I, and Clothing I are offered at both campuses.

In addition, Home Living I and Clothing II are available at East Campus. The department also sponsors the Future Homemakers Club, a style show in the spring, and a Christmas tea for the faculty.

Young Artists Display Creativity, Individuality

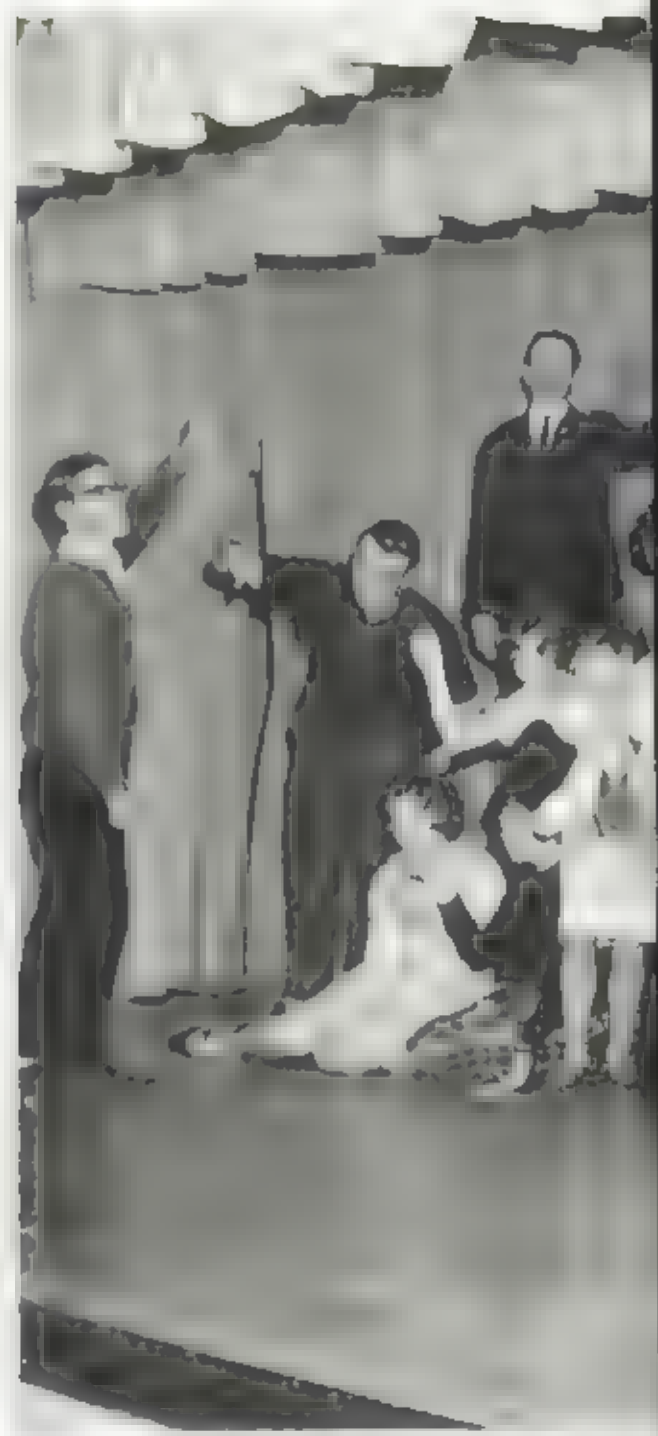

Creativity, individuality, and the ability to work independently characterize art students. Elective courses offered by the Art Department deal with introduction to art, crafts, commercial design, painting, and sculpture. Mr. Misunas heads the department, which consists of twenty classes with three teachers at West Campus and two at East. Also available to interested students is East Campus' Arts Club.

Drama this year included Dramatics I, offered at East and West Campuses, and senior dramatics, available only at East. In dramatics a student learns to work with others, to explore his talents, to achieve self confidence, and to express himself to others. Extracurricular activities included the fall play *Arsenic and Old Lace*; the Senior class play, *Our Town*; the musical, *My Fair Lady*, which was presented with the Music Department; and the contest play, *The Happy Journey*.

Wide opportunities for students of all levels to develop their musical talents are offered by the Music Department. As in other departments, West classes prepare the student for advanced courses at East. However, there are opportunities to begin the study of instruments at both campuses. Besides band, other courses such as orchestra, choir, and harmony are offered. Harmony class, re-instated this year, studies the types of harmonic structure used from 1750. Among its activities this year, the Music Department was host to Area I of the State Music Contest on March 14 and April 18. Mr. Leslie Gilkey heads the department.

Senior physical education classes meet twice a week for girls and three times a week for boys. On the other hand, the program at West Campus was aided this year with the first use of McAree Field. West Campus students have physical education daily. Freshman students also take a six-week health course, and sophomores go through a 12-week drivers' education program. The boys' Physical Education Department is headed by chairman Mr. Ted Damos and assistant Mr. Steve Drew. Miss Kathleen Randolph chairmans the girls' program; she is assisted by Miss Mabel Holle.

Brass and shoe polishing and clothes ironing begins with the yearly issuance of uniforms and equipment

In recognition of the importance of military training, two years of ROTC are required of all male students as a graduation requirement. A third year is offered as an elective course. Successful completion of the course will give the student a broad foundation to build upon when called to fulfil his military obligation. Extracurricular activities offered by the department are Crossed Sabers Club, color guard, drill platoon, and rifle team. The military department is under the direction of Major Glen E. Brawn, Jr., PMS.

Classes are out, the academic day is over, but through these halls school life still goes on. A flood of activities provide a change of pace for students and give them a social world all their own. Sometimes the activities involve the entire school, at other times only special groups. In either instance, extracurriculars give vitality and sparkle to school life, create memories, and develop character. Only in the halls of WTHS could activities be so much fun!

The longest day of the school year begins

Picking up schedules is the first step in the new school year

Tuesday, September 3, West and East Campuses opened their doors to 3,632 students enrolled for the 1963-64 school year. Class totals showed 984 freshmen, 951 sophomores, 948 juniors, and only 759 seniors. Having paid their fees and picked up their schedules a week before the start of school, many of the students knew their way around their campus's often confusing corridors. While last year's sophomores left West Campus to join this year's seniors as upperclassmen at East, the new freshmen began their first year at West with the Class of '66. Although all enjoyed the summer vacation, it was great to get back to the classes, old and new friends, and the many activities that are connected with a year at Waukegan High.

The start of the new school year was marked by numerous early fall activities. School clubs and organizations sponsored many picnics and other informal activities to better acquaint the new freshmen with the other members of the student body and with the school itself. Both the Junior Class and the band proved the popularity of car washes by using them to build up their treasuries. Fall also brought the start of the football season, parents' day, the taking of miniature pictures, and the first educational and pep assemblies of the year

Friday night's pep rally in the West Campus auditorium was the beginning of a successful Homecoming. After the annual Homecoming parade Saturday morning, the winning floats were given trophies. The afternoon activities were climaxed by a 26—7 Bulldog victory over Morton. Adding to the excitement of the game, hundreds of gold balloons were released by the fans at Waukegan's first touchdown. Half-time entertainment was provided by the band and the majorettes. Later, futuristic "century 21" decorations provided the setting for Saturday night's court presentation in the East gym.

Acquainting fellow students is a purpose of the annual Transfer Students' Party

October's many varied activities ranged from a West Campus parents' night to several club initiations. Early in October the annual Student Council Transfer Students Party was held to acquaint the new students with the Student Council, with the school in general, and with some of the many clubs and organizations working in the school. In the West gym and cafeteria October 11 was the Class of '66 Party, during which sophomores took a trip down "Route 66." Later in the month there were several homeroom assemblies, including one at East Campus which featured Jack Dempsey

Balloon shaving, cheerleading, apple dunking, and sponge throwing attracted over 500 students to this year's obviously successful Recreation Night. Student Council again sponsored the annual event, which was held in the East Campus gym November 16 from 7:30 to 10 p.m. Individual booths were set up by many school clubs. Earlier, the coming of Halloween brought parties planned by FHA, Girls' League, and the Faculty Association. Other activities included performances at both East and West by the Danish gymnasts and taking the all day, school-wide Stanford Achievement Tests.

The Junior Class profited \$1,200 from its annual Fish Fry for the Post Prom. Over 1,300 people attended the dinner at Mathon's November 13. Two days later, November 15, members of the Freshman Class came to West Campus in costume to take part in their class party, "Hobo Haven." On a more academic level, November 18 was designated by the Guidance Department as College Night. To help students decide which college to attend, representatives from 94 schools came to offer information about their institutions. Around the theme "Follow the Leader," Student Council sponsored its fourth annual Leadership conference December 14. Included in the program was two hours of discussion.

Students Exhibit Enthusiasm in Many Areas

Punch, anyone? Refreshments are served to couples attending the "W" Club dance in the East Campus gym

"Gathering of Stars" was the theme for this year's annual "W" Club dance. November 30 was the date chosen, and music was provided for this all-school dance by Dick Krause and his band. The highlight of the evening was the presentation of court. This year's court, consisting of eight senior girls and two juniors, was elected by the student body. Each of ten girls represented one of the WTHS sports. As the clock reached twelve, and the doors of the East Campus gym closed, only memories of a wonderful night remained.

Elected to the "Gathering of Stars" court were Patricia Kolar, Michaelene Rochnick, Cheryl Krumers, Carol Dominick, Cynthia Lambie, Kirsti Idstrom, Sue Dietmeyer, Kay Savel, and Patricia Canvanough

Friday, December 13, may have been an unlucky day for some, but for Waukegan it was a day of victory. The first home basketball game of the season ended with defeat for the Morton Mustangs. Hundreds of eager spectators packed the gym to cheer the Bulldogs. As the games began, the gymnasium became alive with an excitement that lasted until Morton fell to defeat.

Halls Silent As School Mourns for President

November 22 students and faculty were shocked as the news of President Kennedy's assassination was announced. Classes were stopped, books were closed, and heads were bowed in grief and sympathy.

Stunned students listened intently to the P.A. system broadcasting the morbid happenings in Dallas, Texas. When the 3:15 bell rang, the halls remained silent.

No one gave a thought to his own plans for the coming weekend. Because Monday, November 25, was proclaimed a national day of mourning for the President, school was closed so that each student, in his own way, might pay obeisance to our lost leader.

Outside, soft snow sifted silently to the ground, bringing the quiet peace of the winter season. Inside the school, distinctive decorations brightened otherwise dull hallways and classrooms. A strange feeling of excitement and anticipation surrounded the school as musical groups put on a Sunday concert and clubs sponsored special parties. In keeping with the season, several organizations went caroling. Then just before school was excused for a two week vacation, the pervading spirit of goodwill was climaxed by two all-campus assemblies. It was Christmas.

The mid-year objective and essay exams seemed to set the mood, and activities during the first few weeks of the second semester were of a more academic nature.

First of these was WTHS' participation on the TV programs *It's Academic* and *Rebuttal*. Not long after that, on January 27, East Campus held its first parents' night in several years, giving students' parents an idea of what goes on during an average school day.

While speech enthusiasts were kept busy preparing for state competition in February and March, National Honor Society was making plans for its initiation February 27. West Campus' new National Junior Honor Society initiated its new members March 10. February was also a time for career exploration. Early in the month interested juniors spent a day at nearby businesses and industries. Later all upperclassmen explored occupations of interest to them by attending career conferences led by specialists in a wide variety of fields.

'Go down two doors, turn right, take the first hall to the left, go about four rooms south and you'll find some more parents' night guides. They'll tell you how to get there.'

Oh web, I'll start a new day tomorrow!

Little Miss Sands thought it quite dandy to climb in a locker one day. But along came big Bruce with the power of Zeus and frightened Miss Sands away.

As the day gets underway the metallic clang of busy lockers and the lively talk between friends reverberates through the halls. The seething mass of students keeps building up until the 8:10 bell inspires haste to first period classes. For some this means a run across East Campus' drill field; for others, a long climb to the third floor. In the library a busy quiet is maintained by students hunting for research paper material. Suddenly a hungry herd of highschoolers stampedes down to the cafeteria, signaling the start of the first of the four 25-minute lunch periods. Later in the day a daring study hall sleeper, hoping he won't be caught, dreams of the test that he *almost* passed. But the sharp ringing of the final bell brings an end to all drowsiness. Students wildly dash for the waiting buses, which they squeeze, squish, and squirm onto, all in the hope that they'll be able to make their way to the door when they get to their stop. Thus ends another day at WTHS.

Students Madly study at every opportunity.

'Let There Be Talent' Says WTHS Student Council

Perhaps the most spectacular event of the year was the concert given by the Chad Mitchell Trio and sponsored by Student Council. The trio is a nationally popular folk-singing group, and the performance was a sell-out. Student Council also sponsored the Talent Show. Student acts ranged from singing groups to modern dancing and from bands to skits. Girls got their chance to be chivalrous to the boys during the traditional Turnabout Week. The theme this year was "Babes in Boyland." GAA was also active in sponsoring early spring activities. Among them were Dads' Night and the Orchesis Show. At Dads' Night the girls and their fathers participated in a variety of gym sports. The annual show sponsored by Orchesis, the modern dance group, featured wide selection of dances centered around the theme "World of Imagination." Earlier, Peppers sponsored an all-school Sock Hop and gave prizes for the most original pair of socks.

The Chad Mitchell Trio gave a folk concert in the new West auditorium.

The gym was a vision of fairy-tale land: Hansel and Gretel loaned their gingerbread house to provide a bandstand, and the Seven Dwarfs presented their diamond mine for all to admire. The occasion for the "Fantasia" setting was the 38th Military Ball, held March 13. Top promotions of the evening, cadet colonel and honorary cadet colonel, went to Al Butkus and Cyndi Lambie. Music for the annual ball was provided by Freddie Wayne's band.

"Portrait of a Dream" was the 1963 Junior Prom theme. May 4, the night of the Prom, proved to be a memorable evening for those who entered the beautifully decorated East Campus gym at 8 p.m. and danced to the music of Ross Anderson's band. The Post Prom, "Mystic Sea," was held at the Illinois Beach State Lodge, where couples dined and danced until 4 a.m.

'Big Moment' Marches Year To Close

As the year finally draws to an end, many last minute activities keep students busy. Seniors, awaiting their "big moment," make the most of their last few days of high school life. They eagerly anticipate senior skip day, Baccalaureate, and Commencement. As always, the presenting of awards at an all-school assembly is another end-of-the-year activity. Both East and West Campus military cadets and bands participate in the annual ROTC Federal inspection. The distribution of yearbooks and final examinations then mark the close of another year.

Attaining physical fitness and sportsmanship is a vital part of a high school education, and WTHS students have benefited much from this aspect of learning. While the well rounded sports program offers physical fitness and personal enjoyment to the participants, it also builds school spirit and pride among the enthusiastic rooters. Fine coaching, participation, and backing of the team have made Waukegan proud of its standing in all athletic fields, and it is through these halls that we have learned to cooperate to achieve the utmost of our abilities in athletic competition.

The state wrestling championship was only one of the many honors achieved by WTHS athletic teams

ATHLETICS

Growing 'W' Club Has Largest Membership In Its History

This year's "W" Club, with the largest membership to date, again enjoyed a successful year. First major activity of the year was the annual "W" Club dance.

Ten girls were elected by the student body to represent the ten sports for the dance court. The next task taken up by the club was the annual distribution of polio boxes in downtown stores. Club members also attended the second annual Surburban League Letterman's Club meeting, held at Highland Park.

In addition, "W" Club operates the concession stands at all home basketball and football games. Sponsoring this year's club were Mr. Leo Singer and Mr. Jack Mallory.

In its 10 years of existence Parents' Club has made many contributions to the WTHS athletic program. It has sponsored award dinners and banquets for the athletes and paid part of the fee to send the sophomore cheerleaders to a summer clinic. Parents' Club also has equipped the training room, bought cameras and accessories for taking movies of athletic events. But above all, it has helped bring about a better understanding between the home and school in connection with the WTHS athletic program.

Issuance of football uniforms signals the approaching sport season

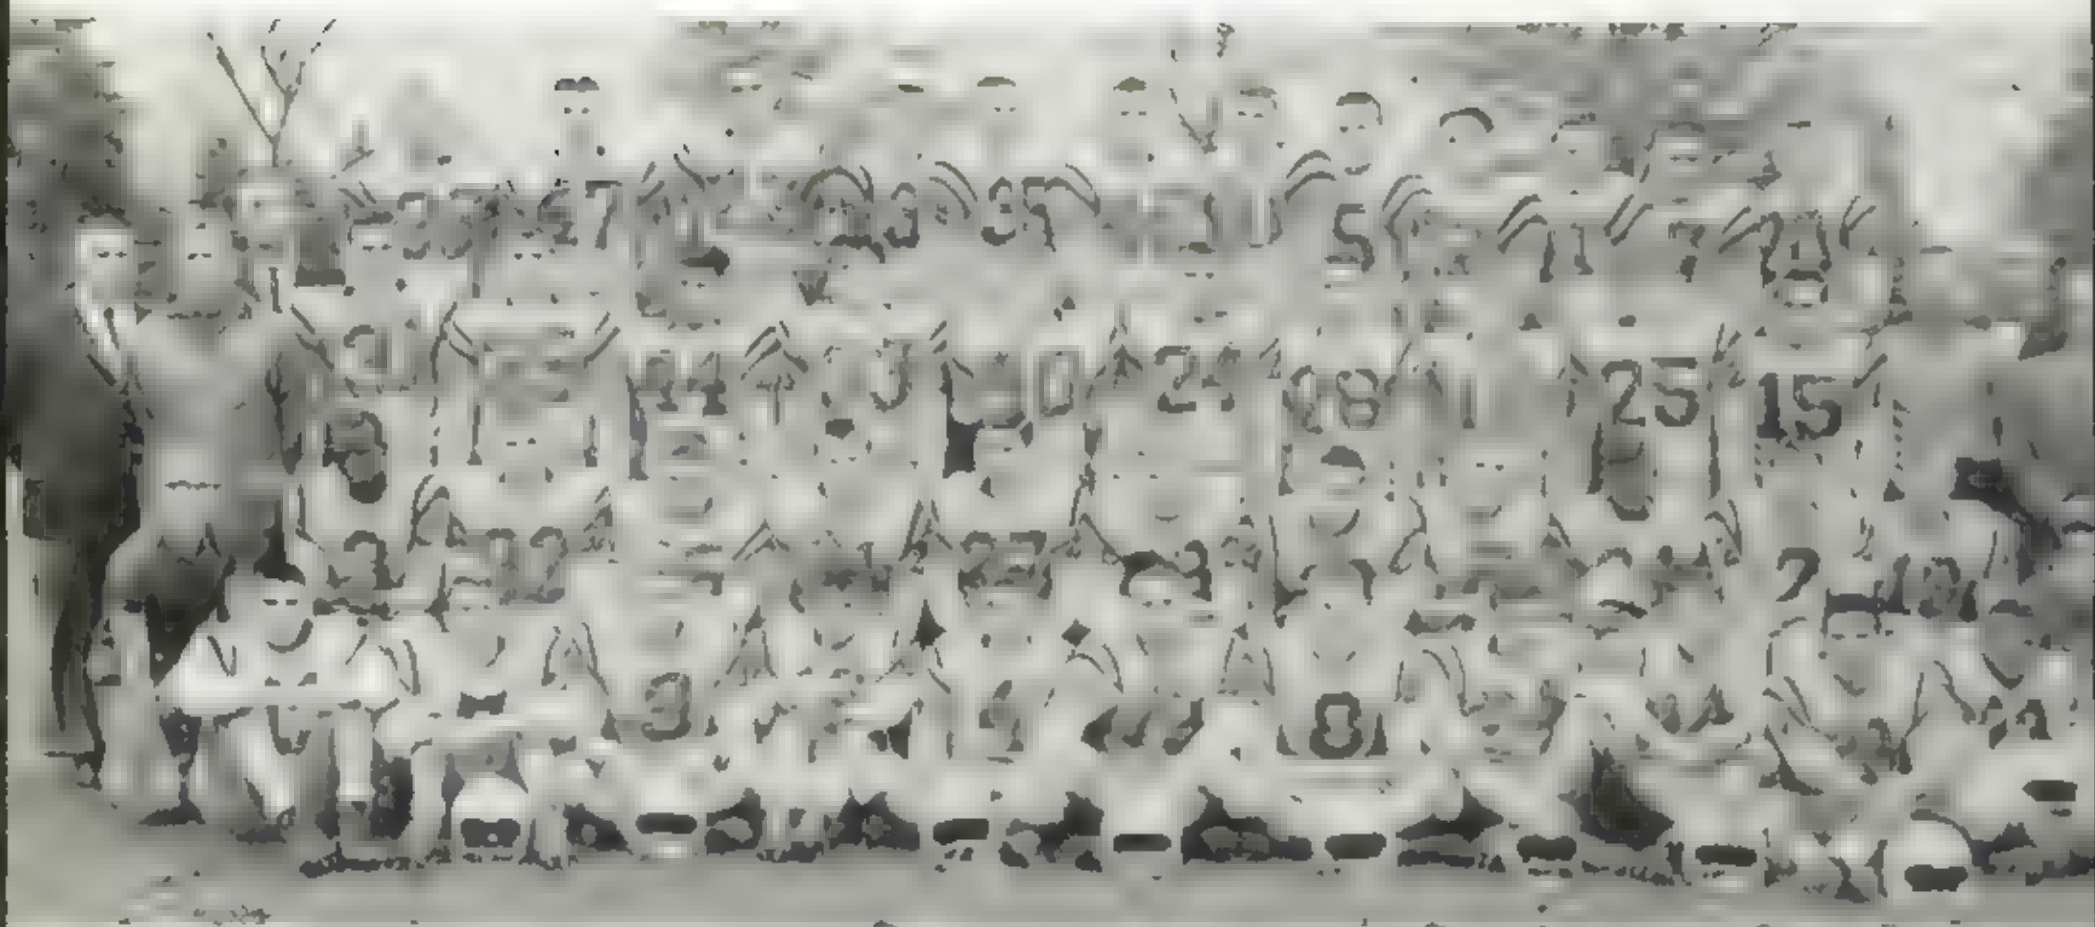

With tension growing every minute, members of the varsity team anxiously await their turn to enter the homecoming game

Third in the tough Suburban League was where the varsity Bulldogs finished the 1963 season. Although the opposition was the roughest in several years, the football team displayed the typical Waukegan fighting spirit. Opponents will remember Waukegan as a team with a determination to win. New this year was the presentation of plaques to the best offensive and defensive players each week. Defensive plaques were awarded to Bob Boone, Tom Oberembt, Lee Davis, Jim Dennon, Terry Beck, Mike Rompella, and Bruce Daydif. Offensive plaques went to Ted Demkiw, Chuck Reid, Lee Swank (twice), John Sacramento, and Tony Skvarce. The all-Suburban team had four Bulldog gridgers. They were Tom Oberembt, Terry Beck, Bruce Daydif, and Lee Swank. Lee also received honorable mention on the all-State team.

Gene Bromstead gets ready to score on another of his many long jump shots

Coach Jack Miller gives the Bulldogs a chalk talk

Although they finished second in league play, the varsity basketball team really started moving in state tournament action. The Bulldogs overwhelmed a ragged Warren team 77—29 and knocked off Libertyville's five 59—43 to move into the final round of the regional. There Highland Park fell 65—53, giving WTHS the title. Moving into the sectionals, the rimsters shattered Mundelein's hopes 74—55. But in the finals Evanston edged out the cagers 71—70. Earlier, in the Pontiac Christmas tournament, the Bulldogs turned back a strong Streator team before losing to Pekin, the eventual state champions. Team standouts were seniors Chuck Reid, Ted Demkiw, Melvin Hurndon, and juniors Ray Coleman and Gene Bromstead.

To give boys not participating in varsity athletics a chance to take part in the sport of their choice is the purpose of the intramural program. A few of the events the boys can participate in are basketball, volleyball, bowling, weight lifting, softball, and ping pong. There are a number of other sports available at different times throughout the year. Proof of intramural's popularity can be seen in the fact that over 400 juniors and seniors alone participated in the winter phases of the program

On a brisk autumn day it's possible to see scores of boys, clad in gold sweatclothes and spiked shoes, running speedily along the leaf-covered paths at Weiss Field or Bonnie Brook Golf Course. The boys are a part of Waukegan's '63 varsity cross country team, which turned in a season record this year of seven wins and two losses. The harriers, under the supervision of coach Conrad Baker, ended the season by taking an eleventh in State, fourth in Suburban, and a first in District. Waukegan had never before won a District cross country title. Top boys in the gruelling two-mile run were seniors Pat Edmondson and Rich Edwards, as well as junior Lee Clark.

Gymnasts Sixth in State, Have Best Season Ever

Climaxing their finest season in the relatively short history of WTHS gymnastics, the varsity gymnasts climbed to sixth place in the State meet. Senior Fred Dennis accumulated all of the team's 28 points, taking a first on the still rings, a second on the high bar, and a third in all-around competition. Based on the fact that Dennis, WTHS' first State gymnastics champion, scored more points than any other single individual in the State finals, he is probably the finest gymnast in Illinois. Although the sophomores lost 7 of their 13 meets, outlook for next year is much better as practically the whole team was composed of freshmen.

Working on the high bar, still ring state champ Fred Dennis demonstrates his versatility

Varsity Natators Stroke To Finish of Season

The 1963-64 varsity swimming team, handicapped by injuries, ended fifth in the Suburban League. Under veteran coach Tom Jacobson and assistant coaches Richard Hyde and Bernard Knauer, the mermen ended their season with a three and nine record. Outstanding swimmers on the team this year were captain and most valuable swimmer Bruce Johnson, Jerry Law, John Pederson, George Lambert, Bob Preston, and Brad West. Record-breakers were Johnson in the 100-yard breaststroke, Law in the 200-yard individual medley, Pederson in the 50-yard freestyle, and sophomore Alan Saunders in the 100-yard freestyle.

Taking a quick breath, Bruce Johnson readies for the final turn in the 100-yard breaststroke

Varsity Trackmen Top All Others in County Meet

Composed of power, endurance, and determination, Coach Drew's endermen captured four of their six dual meets. Waukegan finished first in the Lake County meet, third in the District, and fifth in the Suburban League. Top trackmen were high-jumper Ted Demkiw, sprinter Vince Pelley, distance runner Richard Cisneroz, and sprinter Dennis Mivshek. The sophomores were undefeated in their dual meets with a 6—0 record. They also took first in the Lake Shore Meet, second in the North Shore Meet, and first in the Suburban League meet.

The proper grip is important in pole vaulting.

Coached by Steve Drew and Ray Eiben, star sprinter Fred Pelley shows winning form.

Varsity Golfers Place Second in State Meet

The 1963 golf team, under the watchful eyes of veteran coach Norm Rickard, ended a brilliant season with a first in the District, a first in the Suburban League, and a second in State, where they were edged out by Galesburg by a mere stroke. The '63 team was led by seniors Bill Rahling and Bill Sisolak; juniors Mike Dicello and Mort Havey; and sophomore Greg Pitzer. The team ended the season with a fine 15 and 1 league record, beaten only by the strong New Trier team

The great national pastime, baseball, has nothing against Damos' diamondmen. The baseball season got off to a fast start as the Bulldogs whipped their first three non-league opponents. Although they lost the league opener, they came back to win six of the next ten games.

Fine performances were turned in during the season by first-baseman Kaufmann, third-baseman Smrtnik, pitcher Taylor, shortstop Ekkela, first-baseman Dennor, and shortstop Johnson. The sophomores also played well, taking first in the Suburban League

Through these halls students find opportunities for learning, leadership, and friendship by participation in one or several of WTHS' many organizations. Membership in these widely varied groups also provides a way for students to serve their school and community. But whether they are leaders or members, they are challenged by the opportunity to work and cooperate together for a common purpose.

ORGANIZATIONS

Daily, during fourth period, a group of students meets at each campus to plan activities for the school, discuss school problems, and further the aims and principles of the school. Under the supervision of Miss Moore and Mr. Filippo, Student Council strives to serve the student body.

Besides assemblies, Student Council sponsored a mixer dance, transfer student party, Recreation Night, and a leadership conference. During 1964, Talent Night, Turnabout, and a new highlight, a performance by the Chad Mitchell Trio, kept Council members busy.

Student Council aids in raising the funds for the American Field Service program. This year, five AFS students from nearby schools visited WTHS, and, together with exchange students Arleen Solarsh from South Africa and Ranjit Limaye from India, presented an AFS program. Student Council also supports two needy students abroad.

Elected by the school as Student Council members were Kurt Keeley, president; Glen Dahlbacka, treasurer; Karen Carrier, secretary, and John Feiertag (not pictured), vice-president.

Crossed Sabers Promotes ROTC In School, City

Crossed Sabers Club is composed of all Military III cadets, some Military II cadets, and the honorary cadet sponsors. The group sponsored the Military Ball and supervised this year's dental survey. In addition, Crossed Sabers entered the prize winning float in the Homecoming parade and had a balloon shaving booth at Rec Night. The club's purpose is to promote the ROTC program throughout the school and community. Major Glen E. Brawn is the faculty sponsor.

This year the drill platoon surpassed previous drill platoons in excellence in silent drill and manual of arms. They performed at the Waukegan-Proviso basketball game, Federal inspection, and the Memorial Day Parade. They practice every Tuesday and Thursday morning under the supervision of the Cadet officers and Sfc Clarence Jones.

ROTC sponsors are chosen by their top academic standing and their election by the Military II cadets. During the school year the sponsors, all seniors, worked in the military office one period a day. Friday mornings before school they practiced drill. In the spring the sponsors participated in the annual Federal inspection

Rifle Team New Member of Northern Illinois League

Participating in the newly formed Northern Illinois Rifle League, WTHS built an outstanding team record this year. Roger Smith and Richard Rivers established new individual records by firing 197 out of 200. Also gaining marksmanship fame was Tom Kus with his high 190 average. A highlight of the year was the 941—937 victory over Marmion Military Academy, ending the academy's 25 match winning streak

Varsity Band Sounds Off at Band Day, Concerts, Home Games

CONCERT BAND OFFICERS. Marc Fink, Jim Paul, Terry Laurel, Lester Sherer, Bill Kent, Larry Soderquist, Tom Waidzunus, Dick Curlee, Rick Gantar, Chuck Caswell

This year the varsity band, under the direction of Mr. Leslie Gilkey, was very active. The group met every day during seventh period to practice. Marc Fink and Jim Paul served as student directors.

Among the band's activities this year was a car wash, held September 21 to raise money to underwrite a trip to Champaign, Illinois, for "Band Day." The event was held at the University of Illinois.

Two annual concerts were presented and the band played at the Twelfth Night program. The band also did much to arouse school spirit by sounding off at all home football and basketball games.

Through Music Tri-M Serves School, Community

During the year, the Tri-M members built a float for the Homecoming parade and held two initiations. They serve as ushers for local concerts when requested. The club meets on the first Tuesday of each month. To raise money for AFS, they provided pizza and coke at recreation night. Tri-M is a national honorary club. The students are judged on character and service to school and community through music.

Girls' Athletic Association gives girls an opportunity to participate in various sports and recreational activities. Any WTHS girl is eligible for membership. After school activities supplement monthly business meetings. For one hour of participation in a GAA sport a girl earns two points. Membership requirements include five business meetings and a minimum of 24 points each year. Activity awards were presented during the formal initiation in January and at the Mother-Daughter Banquet in May. GAA again co-sponsored Homecoming. Other activities on the GAA calendar were Dad's Date, Eighth Grade Play Night, Splash Party, District Play Days, and a Milwaukee trip to see the Braves play. In addition, an East-West Tournament highlighted each sport season.

Both members and parents attended the GAA initiation.

Participating in an after school basketball game GAAers anxiously await a rebound.

Thespians Sponsor Educational Trips

To see *Camelot* was why Thespians sponsored an all-school bus trip to Chicago. A trip to Northwestern University to see drama productions was also taken. In addition, Thespian members participated in the Christmas assembly at East Campus. The club is a national society devoted to the development and advancement of drama at the high school level. Prospective members must earn points by participating in WTHS drama productions as cast or crew members. Two initiations were held this year to welcome new members.

Masque-Gavel Establishes Scholarship

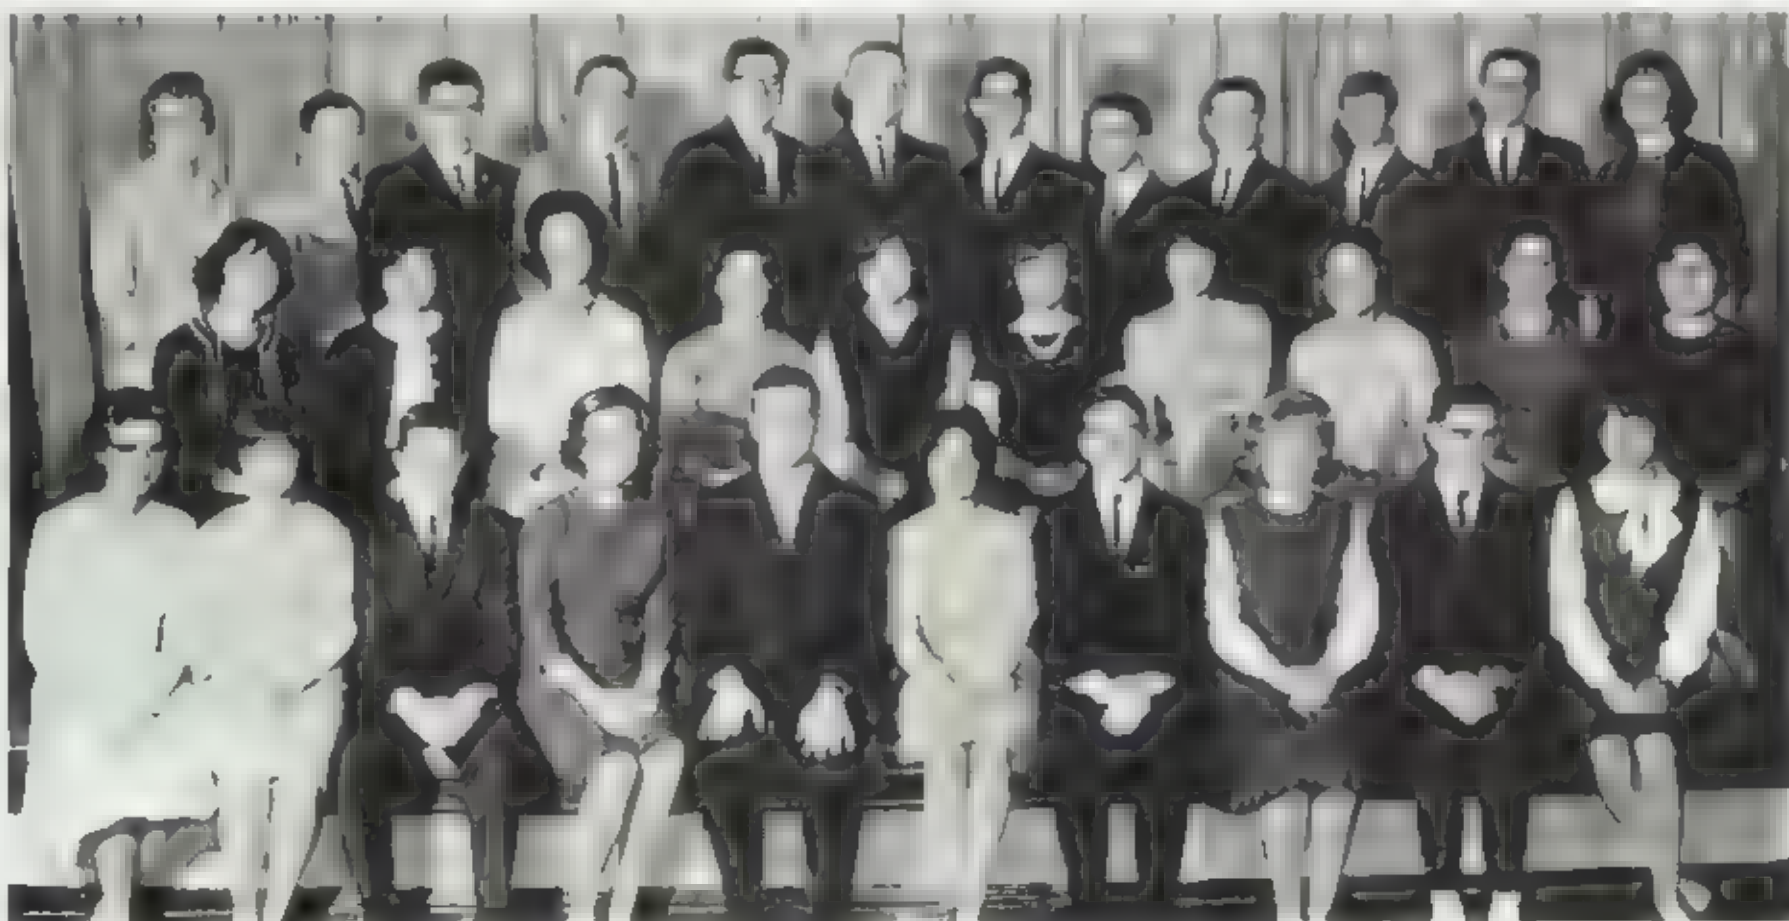

In addition to sponsoring the annual Waukegan Speech Festival, Masque and Gavel established a scholarship to enable needy students to attend summer speech institutes. Other activities included an all-school dance and participation in district, sectional, and state speech contests.

Masque and Gavel, sponsored by Mrs. Rachel Weaver and Miss Nancy Moss, is an honorary organization dedicated to the promotion of good speech.

At the Masque and Gavel Institute, president John Petroshius, executive officer Catherine Petersen, and John Aten and Eric Danoff into the organization.

Orchesis Dances Into World Of Imagination

Orchesis, the modern dance group, had a new sponsor this year, Miss Ramona Childs. Tryouts were held in the fall, and the membership totaled approximately 30. The Orchesis Show, "World of Imagination" was held in February, considerably earlier than in previous years. New officers were elected, and the honors were awarded to Carol Dominick, president; Mitzie Lindsey, vice president; Nola Daum, Mistress of the wardrobe; Sunnye Domerchie and Marsha Prorok, publicity; Dottie Kane, secretary; and Sandy Pokett, treasurer.

Girls' Leaguers Keep Active Throughout Year

This year's Girls' League activities included a style show for freshmen, a float for Homecoming, a Christmas party for orphans, a Mother-Daughter Tea, and a Senior Tea. One of the new activities was having 100 girls from Evanston come to WTHS for a pre-basketball game dinner. Girls' League, the largest WTHS club, is a service organization operating on a point system. Girls who earn 100 points are awarded a Girls' League pin

French Club Interest Spreads to West

Having chapters at both campuses for the first time, *Le Cercle Francais* started the year by electing officers at its annual picnic at Hinkston Park. Later a Homecoming float was built and a field trip to Chicago was taken. At Christmastime the club visited hospitals, singing carols in French. This year the group also became acquainted with various French clubs in the Chicago area through inter-club meetings. At the end of the year members donated money for Care packages. The club attempts to promote a better understanding of French people, their history, customs, and culture

Any Spanish student at WTHS has an opportunity to expand his interests by joining Spanish Club. Both the East and West clubs had a very active year. Both held a Christmas fiesta with the breaking of a pinata. In the spring the West club held a potluck dinner with a Mexican motif. The East Campus club sold Spanish Christmas cards, donating the profits to Care. Both the East and West clubs, speaking only Spanish at their meetings, provide an opportunity for Spanish students to use the language in a practical situation and learn about Spanish speaking countries.

Discovering new pleasures and applications in mathematics is the aim of the West Campus Mathematics Club, which meets weekly. Through the uses of puzzles and logic, techniques of solving problems and problem analysis are practiced. Constructions of several kinds lead to unusual geometric art forms. Serious problems ranged from simple homework to deeper concepts in algebra. The club also visited the computer center and went bowling. Whatever the topic, fun and free discussion enlivened every meeting

They also take part in many club and work activities during the year, including their jobs in Waukegan retail establishments. Facilities in the D.E. classroom enable students to make actual merchandise displays and sales demonstrations.

Camera Club Studies Motion Film Production

This year, East Campus Camera Club's fortieth anniversary, the group's members for the first time had the opportunity to study motion picture production. All phases of the work, from screenplay to actual photography, were undertaken by the club. The result was a 30 minute sound film. West Campus Camera Club gave freshmen and sophomores a chance to learn how to develop and print pictures and improve their picture taking techniques. The East and West Campus clubs, both designed to further students' abilities in photography, are sponsored by Mr. Edwin Meslow and Mr. James Savery respectively.

FTA is a national organization preparing students for a teaching career in public school work and special education. Sponsors this year were Mrs. Adee and Mrs. Dunlap.

FHA Activities Lead To Spring Style Show

To celebrate National FHA Week in April, Future Homemakers planned special activities for each day of the week. FHA started the year with its annual bake sale and later prepared Christmas favors for children at Victory Hospital. A style show was held in May. Club membership this year increased to 55 girls interested in home economics.

Red Cross Activities

Serve School, Community

Working on projects for hospitals, homes, and other areas. Youth in Red Cross serves the school and city. A total of \$217 was received from the enrollment drive to begin the busy year of activity. The club filled Christmas boxes for needy children overseas and helped make and pack cookies for Lake County and Downey hospitals. Club sponsors are Miss Martha Donnelly and Mrs. Patience Brainard.

Having Fun and Serving Community Aim of Tri-Hi-Y Members

Tri-Hi-Y is a YMCA organization based on the platform of high ideals of character, clean living, and service to the community. Throughout the year each club sponsors different activities, including a slumber party, paper drive, bake sale, and hangout. At one time during the year all Tri-Hi-Y's unite to sell World Service Candy for the YMCA. Each group opens or closes its membership according to the decision of the members.

Wandering through the halls of West Campus for the first time, freshmen find them confusing and difficult. But after a year of dropping their books in crowded stairways and getting lost in dead-end corridors, they become sophomores, and make their way around a little easier. However, as juniors, East Campus' two buildings and tangled web of hallways present new challenges. Yet even these are quickly mastered. Then, as seniors, with graduation approaching, they nostalgically recall their four active, memory-filled years in the halls of Waukegan Township High School.

Members of the Junior Class worked to make their annual car wash a successful activity.

On June 4, 752 seniors went their separate ways. After four years of working, studying, and having fun together, only memories remained. As they stood in their graduation gowns, waiting for their names to be called, they looked back with happiness and ahead with anticipation. They remembered especially that first day of high school in 1960 and their senior year. They came a long way in four years. They increased their knowledge, made new friends, and grew up with the help and guidance of teachers and class sponsors. They were proud of their National Merit finalists, class officers, athletic and speech teams, which maintained the high reputation of WTHS. With announcements out, class gift selected, and class play presented, they looked forward to clasping a diploma in their hands as they go out into the world to discover what it holds for each of them.

IN MEMORIAM

Barbara Ellen Zack

Barbara Ellen Zack, a member of the Class of 1964, was born May 26, 1946, and died August 14, 1963. She was a life-long resident of Waukegan and a graduate of Daniel Webster Junior High School. Barbara is survived by her parents, Mr. and Mrs. Raymond G. Zack, and her brothers, Andrew, Daniel, and James. She was a member of Saint Anastasia Catholic Church. Barbara was active in Peppers, German Club, Tri-Hi-Y, Junior Red Cross, Girls' League, and plays.

Emil John Dokmanus

Emil John Dokmanus was born February 22, 1947, in Waukegan and died January 12, 1964. He was a member of the Junior Class, and previously attended Washington School and Thomas Jefferson Junior High School. He is survived by his parents, Mr. and Mrs. Emil Dokmanus, and a brother, Stanley. He belonged to the St. Sava Serbian Monastery in Libertyville and St. Nickolas Church here in Waukegan. He was also a member of St. Sava's Society of the Serbian National Federation.

Junior Class officers for the year were Cynthia Gutantes, prom chairman; Linda Lindquist, treasurer; Sue Dietmeyer secretary, and Wayne Shamlin vice-president

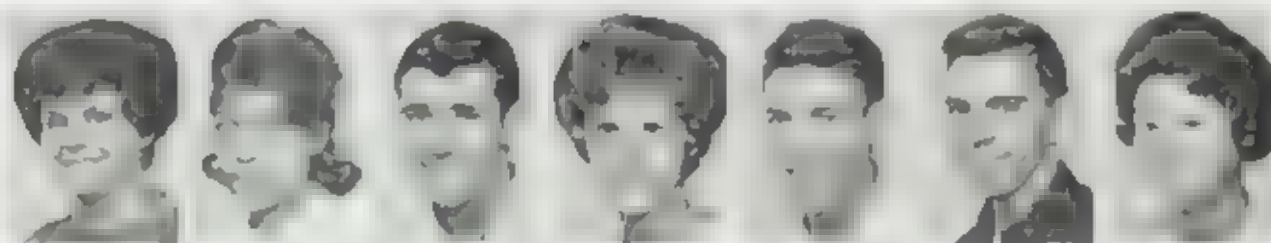

Active Juniors Explore East Campus' Long Halls

The Class of 1965 has finally taken its first walk through the halls of East Campus. Some of the more important Junior Class activities have been the various projects designed to raise money for the Junior Prom and Post Prom. A fish fry, after game dance, car wash, and pen sale were sponsored. Another event during the year was the arrival of class rings, which were standardized by the Class of 1964. Also—highlighting the year have been the taking of National Merit Scholarship Tests and the selection of Lillian Gruenwald, Mary Dalziel, Sue Morris, and Barb Becklian as AFS finalists. Now, having successfully finished their first year as upperclassmen, the juniors are looking forward to their senior year, the last year they will walk through these halls.

Aren't they fine?" says Joan Tinsley to Ray Tobin as they admire their newly arrived class rings

To direct and plan class activities, the Sophomore Class elected four officers. Rich Kirkwood, president, Pat Keber, vice-president, Marianne Burke, secretary, and Rita Sirvidas, treasurer.

Turning to East, Sophs Face New Experiences

Isn't that bus ever going to get here!

As the Class of 1966 finishes their last year at West Campus, they remember their journey through "Route 66" at the class party. With the combined efforts of the class officers and the class sponsors, Mrs. Rosemary Larsen and Mr. Carmon Bixler, the class party and all the other activities of the year were planned. But soon they will enter East Campus as upperclassmen to experience an atmosphere of deeper education, greater social life, and a continuation of the great times enjoyed during two years at West.

IN MEMORIAM

To the memory of Loretta Jeanne Parker, of the Class of 1966, this section of the 1964 Annual "W" is respectfully dedicated by her classmates.

Lorry was born in Waukegan on May 27, 1947, the daughter of Mr. and Mrs. Wilbur Parker of 2728 Harrison Place. She attended Glenwood elementary, Daniel Webster junior high school, and entered WTHS West Campus in September, 1962. She was a member of Trinity Lutheran Church where she was affiliated with the Luther League and the high school Sunday School class. Besides her parents, she is survived by three brothers, Stephen, a freshman at Carthage College, and Daniel 11, and Timothy 9, at home. Lorry died November 29, 1963, at the age of 16 years. She was liked and respected by her classmates and teachers who mourn her untimely passing.

Loretta Jeanne Parker

In charge of Freshman Class activities this year were John Alcorn, president, Chris Frey, treasurer, Mave Cobb, secretary, and Sherry Greene, vice-president

Freshmen Become Acquainted with High School Life

*Because hobos must eat two refreshments were served at the Freshman Class party
Hobo Haven*

After taking their first walk through the halls of West Campus, the Class of 1967 quickly oriented themselves to school life. They took part in club programs, tried out for positions on athletic teams, and participated in music and drama. As they participated in more and more activities, the strangeness of high school was quickly replaced by new acquaintances and lasting friendships. The class officers, elected early in the year by the Freshman Class, planned "Hobo Haven," the class party. Next year, as sophomores, the Class of 1967 will reach the halfway mark toward graduation.

TOMORROW'S NEWSPAPER EDITORS?

Maybe, maybe not! But whoever are tomorrow's News-Sun reporters or editors, today the News-Sun is preparing for the leadership of tomorrow. Regular tours of the News-Sun plant for newspaper-minded young people are just one of the activities the News-Sun encourages to attract tomorrow's leaders. Students headed for journalism education in college are helped by guidance material furnished the High School career counselors by the News-Sun. In the summer months high school students get further training and experience working in the News-Sun plant. News-Sun executives are always ready to counsel young men and women determined to make journalism and newspaper work their life work. It's all part of the News-Sun's continuing program to serve youth in Waukegan and Lake County.

Johnson Boats

...are revolutionary in design. With their 3-point hydroplane hulls, Johnson boats ride almost completely out of the water leaving a flat wake for skiing. In a full power turn, the Johnson boat tips less than 1% and a proven flotation hull makes it virtually unsinkable—even with 5 passengers. Power options include a 2 cycle 88, a 4 cycle 110 and a 150 h.p. V6, as well as 5 outboard options.

Johnson SEA-HORSE OUTBOARD

are the most dependable and economical in the world. There are 13 new models this year including a compact 9, a v 60 and the new elite Golden Motor V 90. In 1964 Johnson has something new for everyone.
